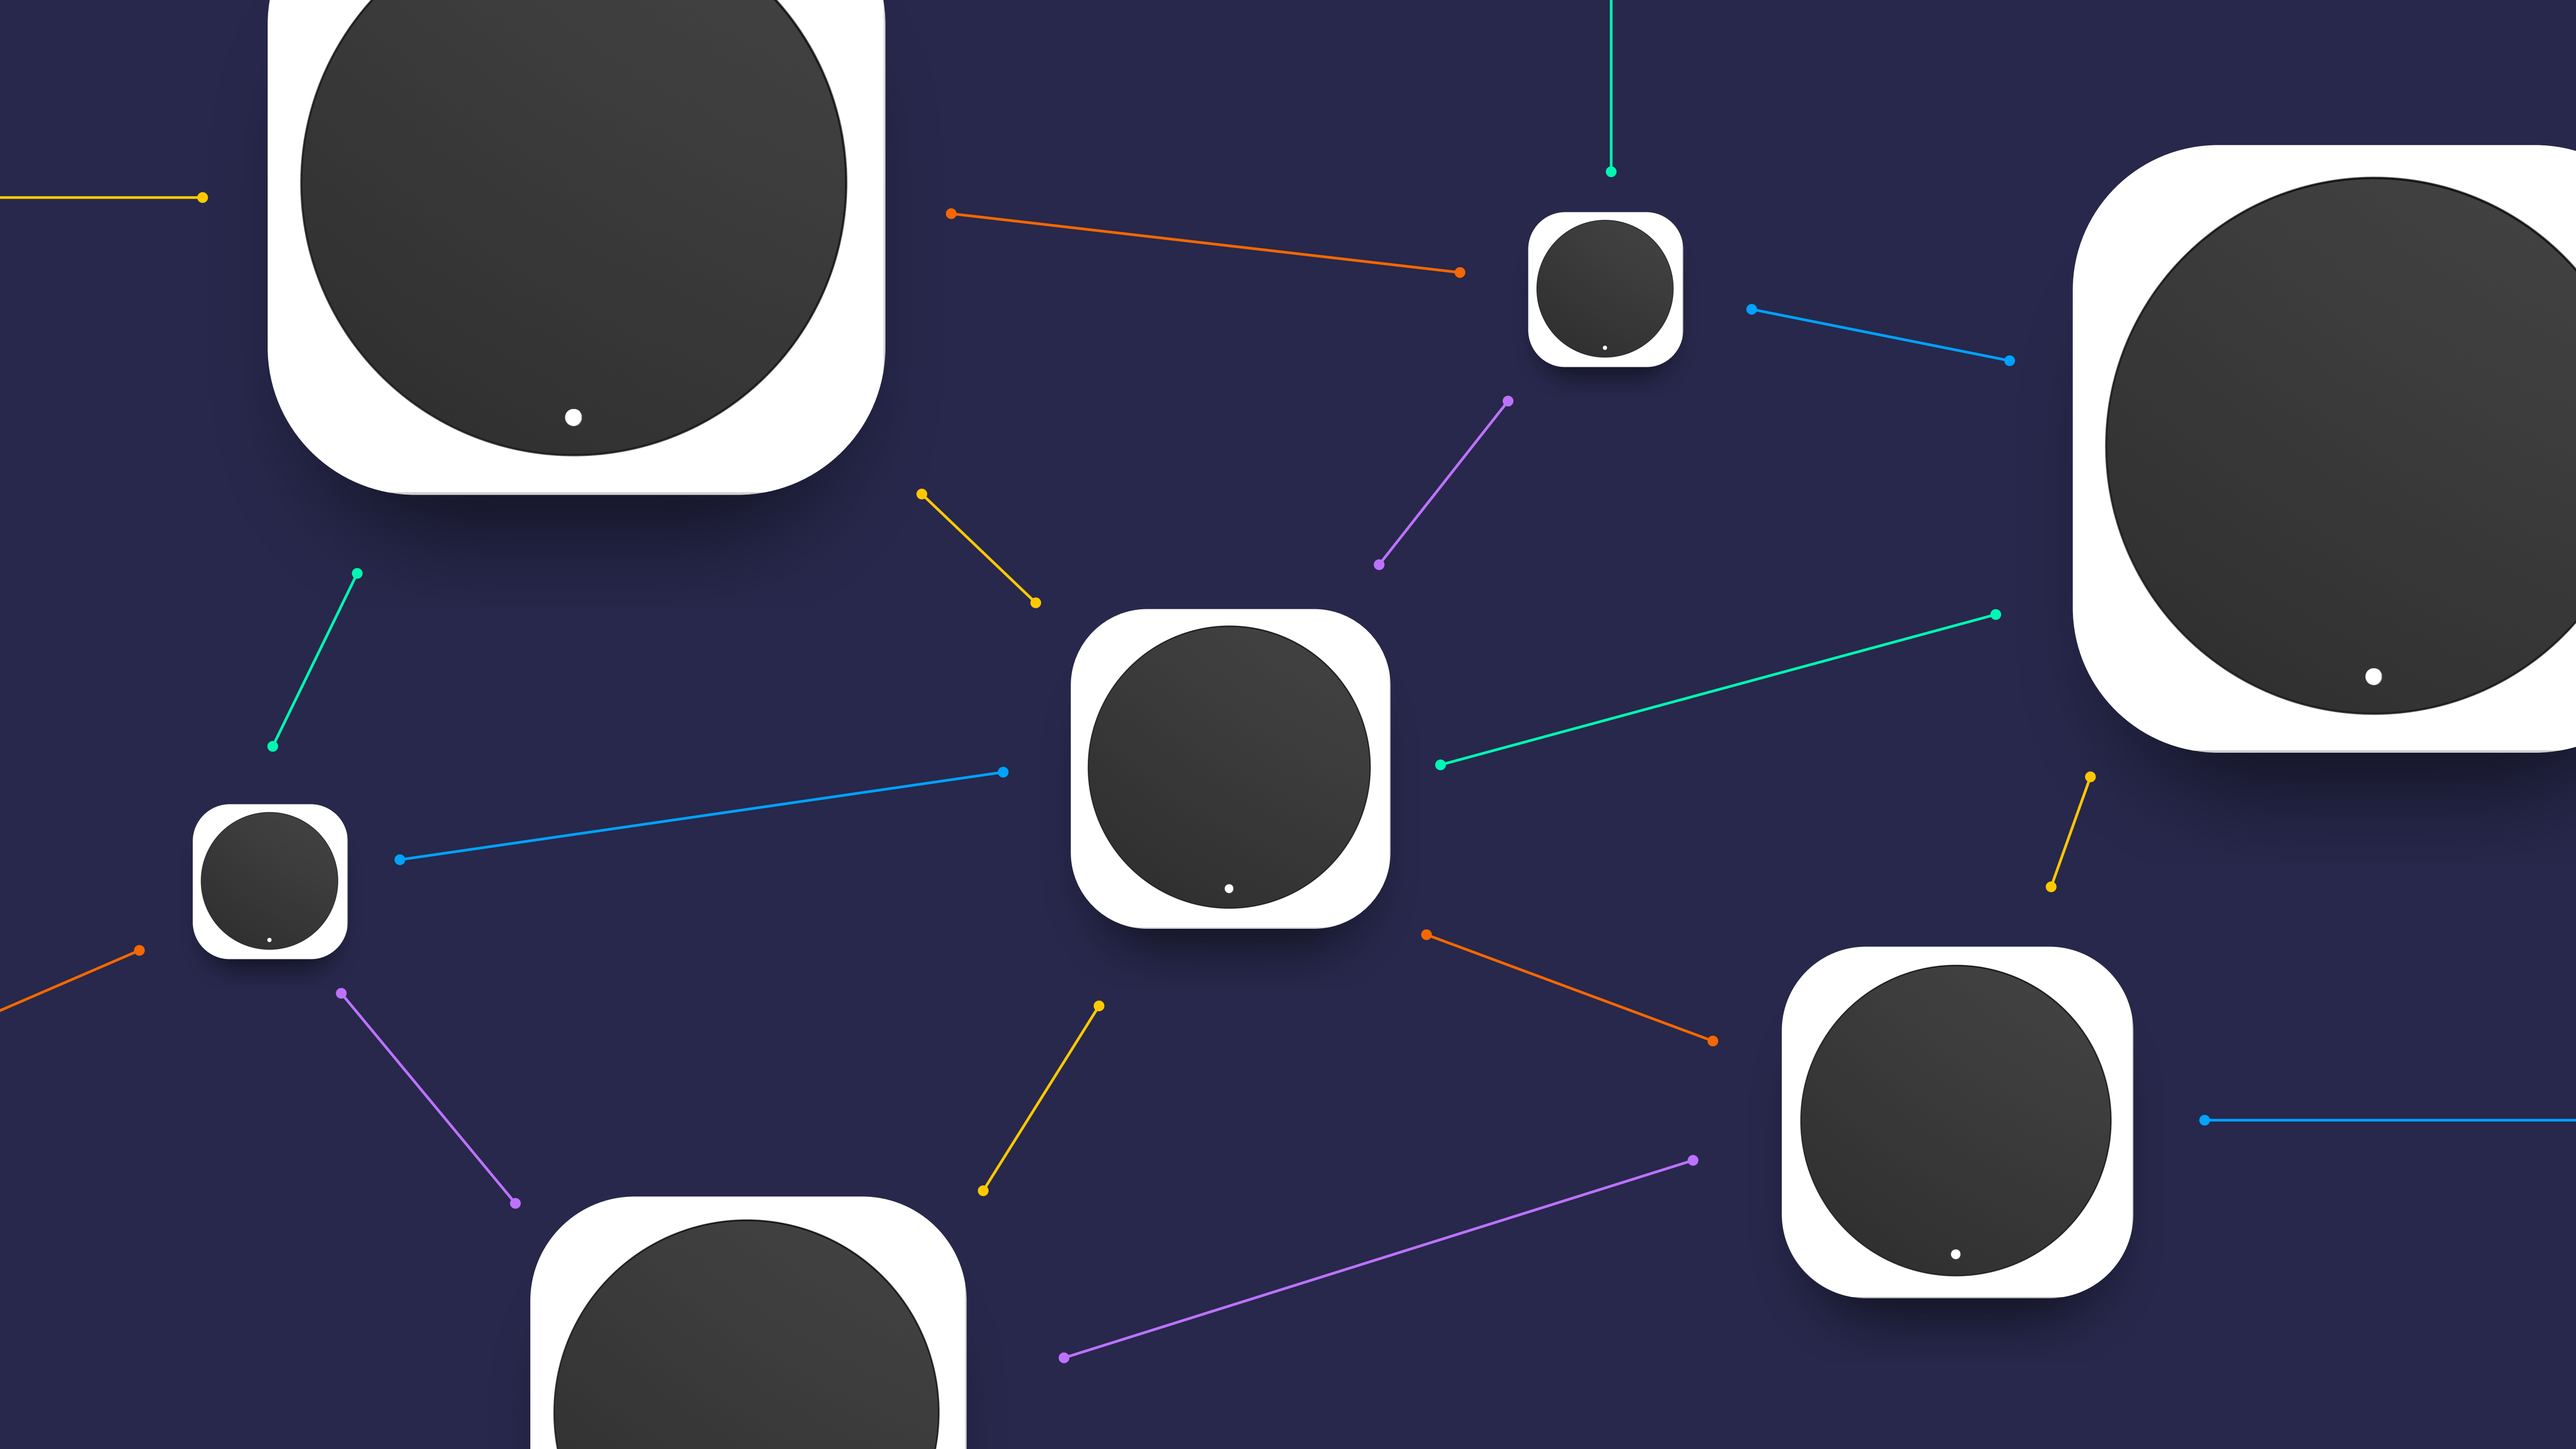
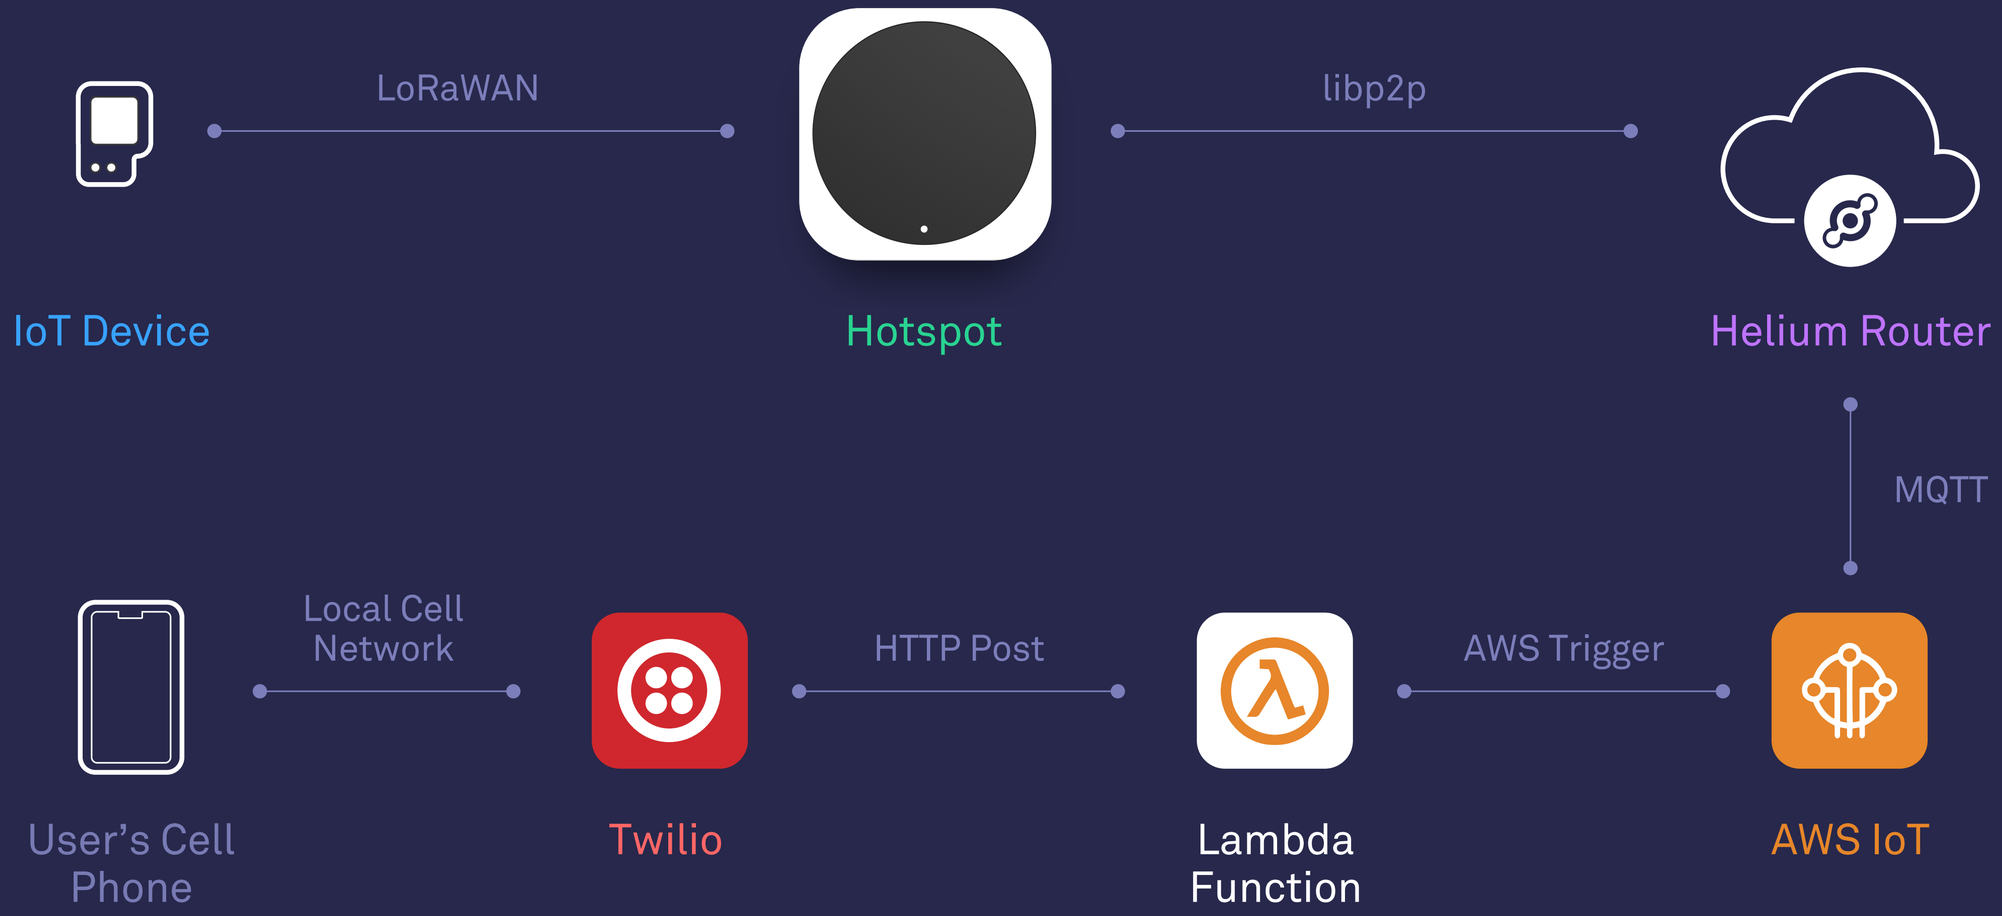
today's agenda

- What is Helium?
- Helium and AWS IoT Demo App
- IoTForGood Contest
- Q&A

what is helium?





LoRaWAN
libp2p
IoT Device
Hotspot
Helium Router
MQTT
Local Cell Network
HTTP Post
AWS Trigger
User's Cell Phone
Twilio
Lambda Function
AWS IoT

#iotforgood.

harnessing the power of the people's network to help solve critical needs in today's society
